*Engineers and Business Professionals must develop attributes and knowledge beyond traditional constraints of the classroom.Â We embrace diversity and global perspectives in different types of education. Our goal is to articulate the role of education in the early part of the 21st century and to establish design specifications that will enable the REC, Phagwara to be a leader in shaping the future of education.*

*WeÂ strive for holistic excellence in education to inspire the aspirations of young generation of knowledge seekers.Â REC accords a hearty welcome to all the young aspirants who wish to join us for a unique experience to achieve academic and a better future. I wish grand success to all of you and your endeavor of higher education at REC.*
