

## Joint Campus Placement Drive by Agappe Diagnostics Ltd

27/05/2019 08:21 by rietadmin

RIET takes this opportunity to inform students to participate in the joint campus placement drive Agappe Diagnostics Limited for MBA “All and B.Tech (ME, Mechatronics, EE)” students (those who are interested in sales) of 2019 passing out batch. The details are as follows.

**About the Company** 20 years of dedication has made us what we are today, one of the forerunners in the Indian diagnostics industry. We at Agappe are a fast-growing in vitro diagnostics company working with over 300 distributors, and a significant OEM business in domestic and international markets. World-class manufacturing facility near Cochin, Kerala will take us to the next step of evolution. Built on 200,000 square feet of land, our 80,000 sq.ft., GMP and FDA compliant certified plant is purpose-built for the global and domestic market needs. Agappe is focused on the research, design and production of clinical chemistry reagents. Agappe in Greek means “Divine Love”™. And it is with this devotion that we deliver all our products and services. Fully computerized systems, dedicated scientists, end user training, foolproof delivery systems, excellent technical support etc set us apart from the competition.
